Government Bills of Lading for Shipments to Covert Installations

1. Reference is made to your subject memorandum dated 21 November 1952 with sample Bill of Lading attached.

2. The method indicated for issuing Bills of Lading is acceptable from an accounting viewpoint and should not in any way retard payment to the common carriers for services rendered.

3. It is assumed that applicable appropriation symbols and allotment accounts will be shown only on the copies of Bills of Lading retained by the Agency.

4. It is suggested that if you have not already done so, you obtain concurrence of the Inspection and Security Office for the method to be followed in issuing Bills of Lading.
